ABOUT ME

Seeking a job role as a fresher engineer in a challenging and evolving environment to test my knowledge and skills. I am willing to put in my efforts to ensure the company's growth, thereby upskilling myself for a promising career.

EDUCATION

Gautam Buddha University, Uttar Pradesh | 2025-2027

Master of Computer Applications (MCA), AI specialization (Pursuing)

Chaudhary Charan Singh University, Meerut | 2022-2025

Bachelor of Computer Applications (BCA), Computer Application

Percentage: 73.00%

K. C. International School, Greater Noida | 2022

Senior Secondary (XII) Science, CBSE

Percentage: 71.00%

WORK EXPERIENCE

TrafikSol ITS Technologies Pvt. Ltd., Noida | May 2024 - Jul 2024

Software Development • Internship

I worked on .NET during that period, where I learned and applied it to help build a client management web application. This experience strengthened my development skills and gave me hands-on exposure to real-world projects.

Bharat Intern, Virtual | Sep 2023 - Oct 2023

Android Virtual Internship • Internship
